Tonopah Is Ready to Welcome Eagles Visitors to Have Freedom of the City

STATE AERIE WILL MEET IN THIS CITY AND ENTERTAINMENT PLANNED FOR SESSION LASTING THREE DAYS

Tomorrow morning the keys of Tonopah will be turned over to the Fratern Order of Eagles and the members of that order will have the freedom of this city for the three days during which the state aerie convention will remain in session. Elaborate preparations have been under way for the past month, looking to the welfare and entertainment of the visitors and it is expected that every minute of the time will be consumed. A royal welcome awaits the incoming delegates, and if the three day stay is not enjoyed, it will not be the fault of the Tonopah Eagles.

Goldfield Eagles, several hundred strong who will arrive at 11 o'clock aboard a special train. A parade will be formed, headed by the band and the line of march will be up Main street, as far as the Butler building, and then counter march to the headquarters where the procession will disband.

During the afternoon the first baseball game for the Eagles championship series will take place at Recreation park, with the Tonopah and Goldfield teams participating. After the game the band will give a concert on the street and in the evening a smoker will be held at the Miners Exchange hall, to which the public is invited. The smoker will be more of a "get acquainted" affair, and brief speeches will be delivered, by local and visiting delegates.

Monday the work of the convention will start in earnest following the arrival of the train from the north upon which additional delegates are expected. The sessions will be held in the Miners Exchange hall and it is expected all business will be transacted Tuesday afternoon when the election of officers will be held. Tuesday night a grand ball will take place, the affair being given in honor of the visitors. The dance will be an all night affair and will wind up the three days session. Tuesday afternoon the delegates will be the guests at a banquet at the Miners Exchange hall. At the conclusion of the banquet the Tonopah drill team will give an exhibition drill upon Main street.

The following is the committee to whom credit is due for securing the finances to make the affair a success and also arranging the program: Henry "Poke" Kelly, Chairman; W. B. Evans, secretary; N. M. McCormick, M. D. McLean, Ed Malley and Frank Coyle.

The Tonopah delegates to the convention are N. M. McCormick, W. B. Evans, Henry Kelly, Letson Balliet, W. D. DeCoursey, Frank Coyle, Ed Malley, C. D. Richards, Dr. J. R. Masterson, J. P. Murphy is delegate at large.

Plans for the construction of a new mill in the Bellehelen district are now being considered by one of the properties operating in that district, and the next month or two should witness the transportation of machinery to the district for the erection of the plant. This announcement was made today by M. J. Hanley of Columbus, Ohio, who is here for the purpose of inspecting mining interests. Mr. Hanley is accompanied by Wm. M. Mumm, also of Columbus, and Fred D. Williams, the noted Salt Lake mining engineer. The three gentlemen departed today for Bellehelen to look over the district, while Williams will make a thorough investigation of the mining property in question preparatory to locating the site for the mill.

Hanley is interested in the Scioto Nevada Mining company and also the Columbus Nevada Mining company, two separate companies operating in the Bellehelen district. The Scioto company has been operating for six years and the Columbus company for seven years. Sufficient ore has been opened up on both properties to warrant the erection of a mill, the values of the ore being 90 per

REPUBLICANS TO CALL MEETING OF NATIONAL COMMITTEE

SESSION WILL BE CALLED WITHIN SIXTY DAYS AFTER CONGRESS ADJOURNS.

(By Associated Press.)
WASHINGTON, May 24.—After a long discussion today the executive committee of the republican national committee tentatively agreed to call a meeting of the national committee within sixty days after the adjournment of the extra session of congress. The purpose is to determine whether the national convention will be called to consider changes for the basis of representation. Chairman Hillis contended that congressional districts be allowed the choice of their own delegates in any way they saw fit, notwithstanding the provisions of the state primary. He said this was the point at issue in the California case in 1912. He said a reversal of such a policy would foist a unit rule upon the party.

A letter of conciliation to the committee requesting a meeting of the national committee said, "I believe an overwhelming majority of the party has reached the conclusion that the basis of representation to the national convention is unjust, and contrary to the fundamental principles of representative government." Referring to the primary laws in some states the letter said, "We must either accept these primary laws or we shall have no republican following in the states which enacted them."

TONOPAH ELKS PLAN INVASION OF GOLDFIELD

BETWEEN 50 AND 60 LOCAL BILLS WILL VISIT NEIGHBOR LODGE TONIGHT.

If present plans do not miscarry, between 50 and 75 members of the Tonopah lodge of Elks will journey to Goldfield tonight and visit with the lodge of the southern city during the time a class of 50 candidates is initiated into the mysteries of the order. Two classes will be initiated and between times an elaborate banquet will be served.

The Tonopah Elks will make the journey across the desert in automobiles and nearly 20 machines have already been secured for the purpose of conveying the local delegation to Goldfield. The first machine will leave Tonopah about 6 o'clock and the others will follow in rapid order. The return trip will be undertaken at an hour unknown in the morning. W. C. Harding has had the matter of procuring machines in charge and today he reported that every Elk owning an automobile had announced the intention of joining the caravan. The machines will start from in front of the Elks club.

ALL MEMORIAL COMMITTEES WILL MEET MONDAY NIGHT

All the subcommittees on Memorial day are in the harness and the preparations are going along nicely with the promise that Tonopah will do ample justice to the memory of the Civil War veterans, both living and dead.

LOS ANGELES POLICE SUMMONED AND CLUB WAY THROUGH CROWDS TO RESCUE VICTIMS FROM WRECK

LONG BEACH, Cal., May 24.—Sixty Mayor Hatch of Long Beach and ty or more persons are believed to Grand Marshal Restall are believed to be dead as the result of the collapse of the stage of the municipal auditorium on the municipal pier when Empire day services were being conducted. Every one on the stage plunged through the floor for a distance of twenty feet first to plunge into the sand. The mass of humanity on the sand is held down by the debris. The Los Angeles police arrived and formed flying wedges and clubbed their way through the crowds so as to remove the victims. No identifications have been made as yet. Thirty-five bodies have been recovered. Appeals for help were sent to Los Angeles. It is impossible at this time to tell how many are dead or injured because of the great confusion. dead are nearly all of Long Beach.

NO STREET SPRINKLING FOR THE EAGLES' STATE AERIE

H. B. Davis, chairman of the board of county commissioners in whose hands the matter of sprinkling the streets has been placed, announced today that the streets would not be sprinkled during the three days the Eagles were in this city, namely, Sunday, Monday and Tuesday. It is understood that a little water will be used to lay the dust during the early part of the morning and during the balance of the day the accumulations will be waived about without interference.

Such sentiment coming from a county commissioner, who is supposed to represent the interests of the Main street taxpayers has caused a little surprise. The real surprise was sprung when it was announced that meeting would be called early during the coming week to consider plans for submitting a recall election to the voters of this county for the removal of a majority of the members of the board of commissioners. While sentiment has been in favor of such a movement, especially since no attention has been paid to street sprinkling, it was not known that decisive steps were under way.

During the present week when Main street was almost impassable on account of wind and dust, one business man dug down in his own pocket on two separate occasions and paid for the services of the street sprinkler. This was after the resident county commissioner refused to come to the relief of the situation. Conditions have reached the stage where decisive action is needed, or else Tonopah will receive a black eye when conditions are described by delegates to the Eagles convention, after their return home. In past years the commissioners have been somewhat considerate of the feelings of merchants, but no board has ever flatly refused to sprinkle the streets and keep down the dust that is daily costing the merchants huge sums for the damage to goods.

REFERENDUM OF TOM ROBINSON ALIEN BILL IS OPPOSED BY LABOR

SAN FRANCISCO LABOR COUNCIL FAVORS THE SUBSTITUTION OF INITIATIVE.

(By Associated Press.)
SAN FRANCISCO, May 24.—As a result of the action of the San Francisco building trades council approving the stand of the Asiatic Exclusion league for a referendum of the anti-alien land bill and the initiative substitution, the latter was assured last night when the San Francisco Labor council adopted resolutions opposing the referendum but favoring the initiative, on the grounds that the referendum would suspend the law giving aliens the opportunity to acquire title to land. Labor leaders say the split will prevent sufficient signatures to the referendum but the exclusion league officials say the referendum is certain.
